## ACKNOWLEDGEMENT OF COUNTRY

TAFE SA acknowledges the traditional owners of the land on which we live and work and recognises Aboriginal and Torres Strait Islander peoples' unique cultural and spiritual relationship to the sky, land and waters of South Australia. We pay our respects to their Elders past, present and emerging and extend that respect to other Aboriginal and Torres Strait Islander Peoples. We are committed to engaging with Aboriginal communities and people to support, develop, and empower them and their communities.

### **ALREADY IN THE WORKFORCE**

Enhance your skills to switch or boost your career. With suitable course durations and hands-on training, you can get where you want to go faster. See page 18 for types of TAFE SA qualifications.

# I WANT...

## A PATHWAY TO UNIVERSITY

Secure your future with a TAFE SA UPP or packaged course, where you can gain guaranteed\* entry into a connected university degree after successfully completing a TAFE SA qualification. Credit transfer is also available for many courses. See page 14 for more.

## QUALITY EDUCATION AND SUPPORT

At TAFE SA, our lecturers are all highly experienced, as well as active in their fields of expertise. With class sizes mostly between 15 and 20 students, you will experience a more rewarding study journey through increased personal assistance and attention. See page 12 for more student services.

## INDUSTRY CONNECTIONS

Many of our courses include industry work placements as part of the course program. These work placements give you first-hand experience of the workplace, allowing you to test your skills and make valuable industry contacts.

## REAL SKILLS

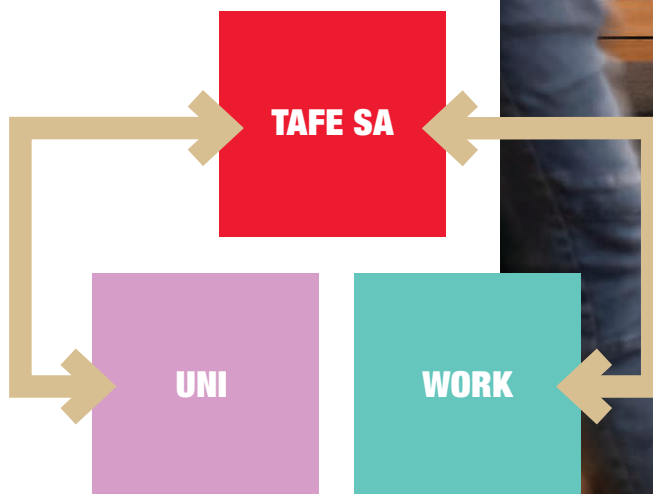

Our teaching methods blend theory with hands-on, practical learning using industry-standard facilities and technology, so when you complete your course, you are job-ready. See page 10 for more about our specialist education centres.

## ENGAGING EXPERIENCES

From your arrival until graduation, we want you to make the most of your time with us. You will always be in-the-know about what's going on around campus and in Adelaide. Join free webinars, events and social programs to meet students from TAFE SA and other institutes. Visit [studyadelaide.com](http://studyadelaide.com)

## A COMPETITIVE EDGE

Even if you already have a university degree or years of work experience, learning practical skills and gaining an understanding of the most recent advances in your field gives you a competitive edge in the job market. Qualifications from TAFE SA are recognised throughout Australia and in many other countries.

\*Guaranteed only if students meet the minimum requirement to transfer to the applicable university.

# THIS IS ADELAIDE

Ranked the third most livable city in the world in 2021\*, Adelaide is a wonderful place to live, work, visit and study.

## AFFORDABLE LIVING

Living in Adelaide is cheaper than most Australian cities. The cost of rent, transport and food is lower, which means a better quality of life for students. There are also job opportunities in Adelaide. Your student visa gives you automatic work rights in Australia, meaning you can work up to 40 hours per fortnight while studying, and unlimited hours during term breaks.

## SAFE AND WELCOMING

Adelaide is an inclusive, multicultural city. People from more than 125 nations live here, bringing variety and vibrancy to the city. You are free to practice your culture and faith here without discrimination, and you will get to meet people from all over the world. Our crime rates are some of the lowest in the country.

## EASY TO GET AROUND

Adelaide's design is based on a square grid layout surrounded by green parkland, so it is easy and pleasant to find your way around. The flat terrain makes walking and cycling easy, and you can drive if you have an international driver's licence. A public transport system of buses, trains and trams covers the city and suburbs – there is even a free 'city loop' bus and tram around the city centre. All international students can get cheaper tickets – just show your student ID card.

Positioned between the hills and the sea, Adelaide is the heart of South Australia.

# SPECIALIST CENTRES

Access the latest learning technologies through our unrivalled and award-winning specialist education centres and discover our new virtual learning experiences.

## ADELAIDE COLLEGE OF THE ARTS

Purpose-designed to achieve excellence in arts training, Adelaide College of the Arts is where students can live and breathe their passion for arts and design. At every turn you'll find highly specialised spaces to focus your talents and develop practical skills – from film and TV, computer-generated imagery [CGI] and visual effects [VFX], digital media, and sound and technical production, to acting, dance, visual arts, fashion and photography.

## TONSLEY

TAFE SA's Tonsley campus provides nearly 45,000m<sup>2</sup> of world-class, energy-efficient, trade training infrastructure for the \$15 billion South Australian building and construction industry. Tonsley brings together all the building trades under one roof, enabling you to learn and work together with other trades, just like you would on a real work site.

## REGENCY INTERNATIONAL CENTRE

Immerse yourself in the world of cookery, hospitality, bakery, butchery and food processing at the Regency International Centre. Boasting a state-of-the-art brewery, cheese making facility, coffee academy, wine sensory rooms, training bars and restaurants, commercial kitchens and bakeries, students learn through gaining real hands-on experience.

## MINING, ENGINEERING AND TRANSPORT CENTRE

Access the latest technologies in learning at the Mining, Engineering and Transport Centre. This purpose-built training facility supports the growth in the mining, civil and mechanical engineering, advanced manufacturing, transport and defence industries. Facilities include high-bay workshops, practice drill rig and drill pad, land information systems survey equipment and computer software, CAD suite, advanced manufacturing 3D scanning and printing facilities, CNC mills, guillotines and plasma cutters.

## CENTRE FOR DENTAL STUDIES

The Centre for Dental Studies is a 36 station dental laboratory which includes CAD-CAM technology, and 28 chair dental clinic with a demonstration area that utilises intraoral and extraoral cameras. These state of the art facilities provide the latest training for courses in Dental Technology.

## URRBRAE

Located close to the city and set amongst micro-wetlands, Urrbrae Campus is equipped with gardens, greenhouses and equipment for hands-on training in Primary Industries and Sciences. Courses in Horticulture and Conservation and Ecosystem Management have been developed in collaboration with industry, ensuring that you receive sought-after skills that can result in highly successful employment outcomes.

## TRAINING AND SECURITY OPERATIONS CENTRE

Learn how to prevent cyber-security attacks at TAFE SA's Training Security Operations Centre [TSOC]. The facility provides hands-on simulated training for highly sought-after cyber security professionals to help stem the worldwide growth of malicious cyber activity. TSOC is the first of its kind in the state's VET sector – with a red 'attack' room and a blue 'defence' room – that mirrors real-life scenarios, simulations, testing opportunities and interaction with other TSOC's across the country. It also features the latest hardware and software from a variety of industry partners including CISCO, Microsoft, Fortinet, Splunk, IBM, HP Aruba, VMWare, AWS and Palo Alto.

# STUDENT SUPPORT

At TAFE SA, we strive to make our education programs as inclusive as possible to ensure students can access the opportunities and guidance they need to get the best possible learning and career outcomes.

## ORIENTATION

As a new student at TAFE SA, you will attend an orientation program where you will get to meet other new international students and hear from current students. It is a great way to get familiar with Adelaide and settle into TAFE SA.

[tafesa.edu.au/international/int-support-services](https://tafesa.edu.au/international/int-support-services)

## INDUCTION

In addition to orientation, you will attend a course induction and meet your lecturers and other students you will be studying with. At the induction you will receive course information, student expectation information, a campus tour, academic counselling, registration, and your timetable.

## EVENTS

We understand the importance to balance study, work and a social life to maintain a student's health and wellbeing. We regularly organise international student events to build the social engagement among students. We also keep students up to date with what's on in Adelaide and around South Australia.

## CAREERS AND PATHWAYS

Our career support can help you identify what you want out of study.

It includes:

- > setting vocational goals based on your strengths
- > developing a career plan
- > investigating career opportunities.

Career and study pathway guidance is available for prospective students, including those with complex needs.

[tafesa.edu.au/career-services](https://tafesa.edu.au/career-services)

## COUNSELLING AND WELFARE SUPPORT

If you're experiencing problems that have an impact on your study, we can help you build the resilience and wellbeing that you need for life's ups and downs:

- > dealing with study stress
- > motivation and organising your time
- > feeling anxious or depressed
- > relationship issues or conflict
- > financial or welfare issues
- > coping with change or crisis.

[tafesa.edu.au/counselling](https://tafesa.edu.au/counselling)

## LIBRARIES

Our libraries provide a wealth of material in your subject area, in both print and electronic formats, with welcoming spaces for working individually or in groups, quiet reading, or simply relaxing between classes.

[tafesa.edu.au/services/libraries](https://tafesa.edu.au/services/libraries)

## LEARNING AND STUDY

Students can access a range of flexible academic support options including access to Smarthinking, our free online academic tutoring service that offers on-demand, one-on-one assistance by qualified tutors.

## ENGLISH LANGUAGE AND FOUNDATION SKILLS

Studying at TAFE SA requires that you have functional levels of English literacy and numeracy skills before you apply for and enrol in a course.

For those that need extra support, we offer a range of English Language services for our enrolled international students, including:

- > Free student conversation classes, held fortnightly during term/semester
- > Short courses in English
- > English Language Courses offering pathways to TAFE and university courses.

## SPECIALISED SUPPORT

Our highly skilled Student Services team offers specialised support and wellbeing resources for students. This includes face-to-face individual assistance at most campuses as well as via phone, email or Skype.

**We're here  
to help.**

# PATHWAYS TO UNIVERSITY

TAFE SA is a great option if you:

- > prefer the hands-on and supportive learning environment of TAFE SA
- > are seeking an alternative entry to university.

## CREDIT TRANSFER

TAFE SA has many credit transfer agreements with universities for TAFE SA graduates. These can provide some advanced standing in university courses if you wish to undertake further education.

Gaining credit at university for the related study you have undertaken at TAFE SA can reduce the time and fees usually required to complete a bachelor degree.

To claim credit, you must apply to the university in accordance with their credit transfer processes. If there is no formal credit agreement for your course, you can apply directly to the university for credit and they will assess your evidence on a case-by-case basis.

Being eligible for credit does not guarantee that you will be offered a place in a university program. Credit will normally be granted after you have been offered a place.

[tafesa.edu.au/credit-transfer](http://tafesa.edu.au/credit-transfer)

## UNIVERSITY PACKAGED PROGRAMS

Our packaged programs with Flinders University, The University of Adelaide and The University of South Australia offer you an alternate way of achieving your end goal of a bachelor's degree.

Successful completion of a TAFE SA diploma, advanced diploma or associate degree guarantees\* you entry into a connected undergraduate program at one of Adelaide's finest universities. It may also reduce the length of time you are required to study at university and therefore the cost of your bachelor's degree.

By applying for a University Packaged Program, students receive a joint offer from both TAFE SA and their South Australian university of choice and may apply to the Department of Home Affairs for a single visa for the duration of the whole study program.

\*Guaranteed only if students meet the minimum requirement to transfer to the applicable university.

Flinders University  
CRICOS 01682E

The University of Adelaide  
CRICOS 00123M

University of South Australia  
CRICOS 00121B

## ADVANTAGES OF A UNIVERSITY PACKAGED PROGRAM

University Packaged Program students often benefit from shorter study durations, and competitive tuition fees.

Other advantages include:

- > A guaranteed\* pathway to university for students who have not quite met the requirements for direct entry.
- > Gain industry connections during your studies at TAFE SA that can lead to part-time employment in your field of study for the duration of your university studies.
- > Graduate with a career-competitive mix of practical and theoretical skills, which is attractive to employers.

## HOW TO APPLY

If you are applying for a Flinders University, The University of Adelaide or The University of South Australia packaged program, you only need to submit one application to TAFE SA.

To apply for a university package or find a mutual education agent of TAFE SA and one of our partnering universities visit [tafesa.edu.au/int-uni-pathway](https://tafesa.edu.au/int-uni-pathway)

Get ahead with higher education at TAFE SA.

Do more. Go further. Stand out.

## HIGHER EDUCATION

International students can choose to study a higher education course at TAFE SA. A TAFE SA higher education qualification provides students with the skills and conceptual background needed to operate in complex situations.

### TAFE SA DEGREES

A TAFE SA bachelor is equivalent to a bachelor offered at an Australian university and is accredited by the national higher education regulator. Our applied learning approach and small class sizes means a more facilitated higher education learning environment and additional interaction with your fellow students and lecturers.

### TAFE SA ASSOCIATE DEGREES

A TAFE SA associate degree gives you options. Study at this level will prepare you to go into the workforce immediately as a highly skilled employee, or you can go on to study at university in a related field using the credits you earn from your studies in the associate degree.

### HIGHER EDUCATION COURSES FOCUSED ON INDUSTRY

We have courses to fulfill your study needs and support your future career path in:

- > Building & construction
- > Tourism, hospitality & events
- > Civil & structural engineering
- > Electronics & communications

## WHY TAFE SA FOR HOSPITALITY, TOURISM & EVENTS?

With a strong focus on business and management skills, the Bachelor of Tourism, Hospitality and Events Management [099074G/CRS1400588] offers you a competitive edge for leadership and management careers in Tourism, Hospitality and Events, both in Australia and Internationally.

The course offers many highlights:

- > On campus delivery with small class numbers for greater collaboration with peers and support from lecturers.
- > Lecturers who are committed to quality, high-level education.
- > Live case studies and current industry concepts applied through theoretical academic study.
- > Various opportunities for industry engagement throughout the course.
- > Close industry liaison ensuring the design of the program is up-to-date and matches the demands and expectations of professional organisations.

“

I first studied a Diploma of Hospitality Management [090981A/SIT50416] [at TAFE SA], which initially was the perfect institution for me because it offered practical and theoretical components. This assisted me to get into industry and work at a café. After completing my diploma, I was able to continue onto the bachelor through a higher education pathway.

## ENTRY REQUIREMENTS\*

The table below states the minimum academic entry requirements for international students at TAFE SA.

| TO APPLY FOR                                                   | REQUIREMENT                                                                 |
|----------------------------------------------------------------|-----------------------------------------------------------------------------|
| Certificate III course                                         | Satisfactory completion of Australian Year 10 or equivalent in your country |
| Certificate IV course                                          | Satisfactory completion of Australian Year 11 or equivalent in your country |
| Diploma, advanced diploma, associate degree or bachelor course | Satisfactory completion of Australian Year 12 or equivalent in your country |

Most foundation studies programs offered by Australian education institutions and universities are accepted as equivalent to Australian Year 12. Some exceptions apply.

## ENGLISH LANGUAGE ENTRY REQUIREMENTS

The minimum IELTS [or equivalent] score for entry to most TAFE SA courses is an academic IELTS of 5.5 with a minimum of 5.0 in all bands. If you do not meet the TAFE SA English language entry requirements, you may undertake an English language course at the English Language Centre of TAFE SA or another approved provider. The English Language Centre offers English language training for students planning to study at TAFE SA or another Australian education institution.

Please visit [tafesa.edu.au/int-entry-reqs](http://tafesa.edu.au/int-entry-reqs) for further information

## TAFE SA ENGLISH LANGUAGE CENTRE

TAFE SA's English Language Centre [ELC] is located in the heart of Adelaide and offers affordable, intensive English language programs tailored to suit all student needs. Its programs can provide entry into TAFE SA courses, as well as many undergraduate and postgraduate courses at The University of Adelaide, Flinders University and the University of South Australia. Or they can simply be used to improve your English while you are travelling or working in Australia.

Please visit [tafesa.edu.au/elc](http://tafesa.edu.au/elc) for course information.

## EVIDENCE OF ENGLISH LANGUAGE REQUIREMENTS

For admission to a TAFE SA course, international applicants are expected to be proficient in English. This can be proven through:

- > Passing an approved test
- > Completing an English [ELICOS] course
- > Meeting an approved alternative requirement.

Please visit [tafesa.edu.au/int-entry-reqs](http://tafesa.edu.au/int-entry-reqs) for more information on English requirements and equivalent tests.

## SPECIAL ADMISSION REQUIREMENTS

Some courses, such as our bachelor degree, associate degrees and nursing program, have special admission requirements that you will need to consider. This may include:

- > successful completion of certain subjects
- > a specific pass level in certain subjects
- > an IELTS score higher than 6.0 or above may be required for certain subjects.
- > presentation of a portfolio or audition
- > passing an assessment or a test set by TAFE SA.

You should always check the requirements for your chosen course before you apply.

To find out more about entry into our courses and if your overseas qualification is recognised as being equivalent to Australian Year 10, 11 or 12, please visit [tafesa.edu.au/int-entry-reqs](http://tafesa.edu.au/int-entry-reqs)

\*Entry requirements may vary for individual course or country.

# STUDENTS UNDER 18

Students younger than 18 years of age can study with TAFE SA.

You will need to be 17 years old when you start your study [at the date shown on your Confirmation of Enrolment [COE]] but you can apply when you are 16 years old.

The Department of Home Affairs requires all students who are not living in Australia with their parents to have somewhere suitable to live and an appropriate adult who will be responsible for your care.

To apply for a student visa, students younger than 18 need to show the Department of Home Affairs that they have appropriate welfare and accommodation arrangements in place.

TAFE SA has approved AHN – Australian Homestay Network – Hosting Australia and International Student Alliance [ISA] ISA Student Advocates – Student Care and Support Services to provide welfare and accommodation services to these students and their families.

## UNDER 18 APPLICATION PROCESS

- 1.** Student applies to study with TAFE SA. See [tafesa.edu.au/international/before-starting/students-under-18-years](http://tafesa.edu.au/international/before-starting/students-under-18-years) for further details.
- 2.** Parent or guardian decides who will provide care and accommodation for the student, i.e. parents or a close relative, or TAFE SA approved care and accommodation providers.
- 3.** Parent or guardian completes the welfare and accommodation arrangement form and follows the process.
- 4.** Via the form, care and accommodation arrangements are confirmed by the nominated caregiver accepting responsibility for the student under the age of 18.
- 5.** Once all outstanding documents are submitted to TAFE SA, the student can accept the offer. The COE and confirmation of appropriate accommodation and welfare will then be issued [upon approval].
- 6.** Students must not travel to Australia before the day their welfare arrangements begin.

# LIVING IN ADELAIDE

Where to live is an important decision when you move to a new city. For most people, rental and transport costs are important, along with finding somewhere close to your campus, workplace and other facilities.

TAFE SA international students choose between purpose built student housing, homestay and private rental. Consider creating a weekly budget, like the table below, to help narrow down your options.

## PURPOSE-BUILT STUDENT HOUSING

There are many different types of purpose-built student housing in Adelaide, like individual studio apartments, shared apartments or dormitory accommodation. These often include internet access, utilities, furnished apartments and other services. One example of affordable student housing is Regency International House. Located on Regency Campus, the villa-style complex draws on the very best in tertiary education housing. Each villa houses four students within which students can create their own "home away from home". See [tafesa.edu.au/int-accommodation](http://tafesa.edu.au/int-accommodation)

## HOMESTAY

Homestay is living with an Australian host family. It is a great way to experience Australian life and practise your English in a welcoming environment. As a homestay student, you will have a bedroom with linen and a place to study, and you will share a bathroom, kitchen and other facilities with your host family. Most homestay hosts provide meals, or you may need to provide and prepare your own food. Visit Australian Homestay Network [homestaynetwork.org](http://homestaynetwork.org)

## PRIVATE RENTAL

You can rent a house or apartment anywhere you like. On top of your weekly rent you will need to pay for utilities such as electricity, gas, water and telephone. Many students enjoy living in a shared rental home, as it is a good way to live independently while sharing these costs. If renting, you may need to sign a lease agreement with your landlord and pay a refundable bond in advance. Go to [cbs.sa.gov.au/renting-and-letting](http://cbs.sa.gov.au/renting-and-letting) for more information about your legal rights and obligations as a tenant or [adelaidestudenthousing.com.au](http://adelaidestudenthousing.com.au) for accommodation listings.

### AVERAGE WEEKLY LIVING EXPENSES\* PER WEEK

|                          |               |
|--------------------------|---------------|
| Groceries and eating out | \$140 – \$280 |
| Gas, electricity         | \$10 – \$20   |
| Phone and Internet       | \$15 – \$30   |
| Public transport         | \$30 – \$60   |
| Car [after purchase]     | \$150 – \$260 |
| Entertainment/clothes    | \$80 – \$150  |

\*Indicative costs \$AUD. More information about living costs: [studyinaustralia.gov.au/english/live-in-australia/living-costs](http://studyinaustralia.gov.au/english/live-in-australia/living-costs)
