# The Job Shop is open!

Looking for part time or casual jobs in Adelaide?  
You need JOB SHOP!

**Job Shop is just for international students, and is a way for you to connect with employers looking for international students to fill a range of part time or casual roles.**

Look closely at every company profile on Job Shop as they list the types of roles they might have available at any one time. Some roles require prior experience, some are suitable for students with little to no experience.

With practically every industry covered, from aged care and hospitality to fast food and retail, there will be a job that's right for you to apply for.

**Besides gaining great experience to help with your future career, you'll get**

- Training and support
- Award wages
- Transferable skills like team work and communication
- Opportunities to meet people and grow your network

PS Please turn over if you need help with your job applications, we've got you covered!

So, what are you  
waiting for?  
Apply now...
